Re: 2015 Spring Conference Update

Just a reminder that our Spring Conference is scheduled for April 22, 2015 at Baruch College's Newman Conference Center.

We've secured a great afternoon presentation on "Cyber Security" and are working to secure an equally great a.m. presentation.

I will be sending out the conference agenda, course descriptions, presenter bios, and registration forms by March 31st.

Please call me if you have any questions in the interim.

P.S. Once again we've held the registration cost down to \$125.00.

Thanks.
