

Security at Tip O'Neill Federal Building

Federal employees with PIV cards coded for Boston federal buildings may enter using the employee entrance located in the rear of the building on the TD Garden side. Please use kiosks to enter the building.

Auditor Forum visitors may also use the Federal employee entrance in the rear of the building on the TD Garden side. Please use magnetometer to enter the building. There are no visitor passes, so if leaving the building for lunch, please incorporate sufficient time to go through security through the employee entrance.
