# Audit Results

- Lack of strategic direction
- Poor internal communication
- Policies & procedures outdated or nonexistent
- Performance evaluations long overdue
- Poor cooperation among employees (in many cases)
- Workload distribution and staffing issues
- Incomplete plans
- Stakeholder groups not fully utilized

# Summary of Recommendations

- Resolve organizational issues with
  - Clear and specific workplace expectations
  - Improved policies and work processes
  - Better communication strategies
  - Improved feedback mechanisms to improve performance

# Reflections on Survey

- Easy to design & implement
- Quantified a lot of information
- Additional source of evidence to corroborate interviews
- Chance to test a hypothesis
- Be sure to beta-test!
